

Gaea 1.0 End-User License Agreement

BY INSTALLING THIS SOFTWARE, YOU ACKNOWLEDGE THAT YOU HAVE READ THIS AGREEMENT, UNDERSTAND IT, AND AGREE TO BE BOUND BY ITS TERMS AND CONDITIONS. IF YOU DO NOT AGREE TO THE TERMS OF THIS AGREEMENT, DO NOT INSTALL, COPY OR USE THE SOFTWARE.

This END USER LICENSE AGREEMENT ("Agreement") is made by and between QuadSpinner, an internal division of Nukeation Studios, a business registered in India at 380 Aiya Nagar, Bhuj, Gujarat 370001, ("QuadSpinner"), and you, as either an individual or a single entity ("Licensee").

Both parties agree to the Terms and Conditions below:

1. GRANT OF LICENSE

Subject to the limitations of Section 2, QuadSpinner hereby grants to Licensee a limited, non-transferable, and non-exclusive license to install and use a machine-readable, object code version of this software program (the "Software") and accompanying user guide and other documentation (collectively, the "Documentation") solely for Licensee's own internal business purposes (collectively, the "License"); provided, however, Licensee's right to install and use the Software and the Documentation is limited to those rights expressly set out in this Agreement.

2. RESTRICTIONS ON USE

Licensee is authorized to use the Software in machine-readable, object code form only, and Licensee shall not: (1) assign, sub-license, sell, distribute, transfer, pledge, lease, rent, share, or export the Software, the Documentation or Licensee's rights hereunder; (2) alter or circumvent the copy protection mechanisms in the Software or reverse engineer, decompile, disassemble, or otherwise attempt to discover the source code of the Software; (3) modify, adapt, translate, or create derivative works based on the Software or Documentation; (4) use, or allow the use of, the Software or Documentation on any project other than a project produced by Licensee (an "Authorized Project"); (5) allow or permit anyone (other than Licensee and Licensee's authorized employees to the extent they are working on an Authorized Project) to use or have access to the Software or Documentation; (6) copy or install the Software or Documentation other than as expressly provided for herein; or (7) take any action, or fail to take action, that could adversely affect the trademarks, service marks, patents, trade secrets, copyrights, or other intellectual property rights of QuadSpinner or any third party with intellectual property rights in the

Software (each, a "Third Party Licensor"). Furthermore, for purposes of this Section 2, the term "Software" shall include any derivatives of the Software.

Usage of the Software is explicitly prohibited for military organizations, military contractors, or authorized agents of military organizations, or for usage in military related projects, including but not limited to military contracts of any kind, promotion of military forces or actions, training military personnel for use in combat.

Licensee shall install and use only a single copy of the Software on up to two (2) computers ("Original Installation") where Licensee is the sole user of the Software, unless the Licensee has been issued a "floating license", in which case Licensee may install the Software on more than one computer; provided, however, Licensee shall not at any one time use more copies of the Software than the total number of valid Software licenses purchased by Licensee.

To prevent unlicensed use of the Software, a license code is required to access and enable the Software. The issuing of replacement or substitute license codes is subject to QuadSpinner's discretion.

QuadSpinner shall not be held liable if Licensee cannot be reached by the electronic mail address supplied during purchase. QuadSpinner will make a reasonable number of attempts to re-send the information in case of delivery failure. Licensee shall be responsible for keeping QuadSpinner appraised of any changes to Licensee's contact information.

To facilitate such license code replacements, QuadSpinner may, from time to time, provide notifications inside the software to inform Licensee of the expiration of the existing license code.

3. BACK-UP COPY

Notwithstanding Section 2, Licensee may store one copy of the Software and Documentation offline and offsite in a secured location owned or leased by Licensee in order to provide a back-up in the event of destruction by fire, flood, acts of war, acts of nature, vandalism, or other incident. In no event may Licensee use the back-up copy of the Software or Documentation to circumvent the usage or other limitations set forth in this Agreement.

4. OWNERSHIP

Licensee acknowledges that the Software (including, for the avoidance of doubt, any Source Code that is licensed to Licensee) and Documentation and all intellectual property rights and other proprietary rights relating thereto are and shall remain

the sole property of QuadSpinner and any Third Party Licensor. Licensee shall not remove, or allow the removal of, any copyright or other proprietary rights notices included in and on the Software or Documentation or take any other action that could adversely affect the property rights of QuadSpinner or any Third Party Licensor. To the extent that Licensee is authorized to make copies of the Software or Documentation under this Agreement, Licensee shall reproduce in and on all such copies any copyright and/or other proprietary rights notices provided in and on the materials supplied by QuadSpinner hereunder.

5. LICENSE FEE

Licensee understands that the benefits granted to Licensee hereunder are contingent upon Licensee's payment in full of the license fee payable in connection herewith (the "License Fee").

6. LIMITED WARRANTY AND LIABILITY

QUADSPINNER CAN EXPRESSLY DISCLAIM TO THE FULLEST EXTENT PERMITTED BY LAW ANY WARRANTY FOR THE SOFTWARE. THE SOFTWARE AND ANY RELATED DOCUMENTATION IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OR MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NONINFRINGEMENT. QUADSPINNER CAN DISCLAIM ANY WARRANTIES REGARDING THE SECURITY, RELIABILITY, TIMELINESS, AND PERFORMANCE OF THE SOFTWARE. THE ENTIRE RISK ARISING OUT OF USE OR PERFORMANCE OF THE SOFTWARE REMAINS WITH LICENSEE.

IN NO EVENT SHALL QUADSPINNER BE LIABLE FOR ANY DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OR ANY OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OF OR INABILITY TO USE THIS SOFTWARE, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. UNDER NO CIRCUMSTANCES SHALL QUADSPINNER BE LIABLE TO ANY LICENSEE ON ACCOUNT OF THAT USER'S USE OR MISUSE OF THE SOFTWARE PRODUCT. SUCH LIMITATION OF LIABILITY SHALL APPLY TO PREVENT RECOVERY OF INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, EXEMPLARY, AND PUNITIVE DAMAGES WHETHER SUCH CLAIM IS BASED ON WARRANTY, CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE (EVEN IF QUADSPINNER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES). SUCH LIMITATION OF LIABILITY SHALL APPLY WHETHER THE DAMAGES ARISE FROM USE OR MISUSE OF AND RELIANCE ON THE SOFTWARE, FROM INABILITY TO USE THE SOFTWARE PRODUCT, OR FROM THE INTERRUPTION, SUSPENSION OR TERMINATION OF THE SOFTWARE (INCLUDING SUCH DAMAGES INCURRED BY THIRD PARTIES). SUCH LIMITATION SHALL APPLY NOTWITHSTANDING A FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY AND TO THE FULLEST EXTENT PERMITTED BY LAW.

7. INDEMNIFICATION

Licensee agrees to indemnify, hold harmless, and defend QuadSpinner, the Third Party Licensors, and each Third Party Licensor's respective affiliates, officers, directors, shareholders, employees, authorized resellers, agents, and other representatives (collectively, the "Released Parties") from all claims, defense costs (including, but not limited to, attorneys' fees), judgments, settlements, and other expenses arising from or connected with the operation of Licensee's business or Licensee's possession or use of the Software or Documentation.

8. TERM AND TERMINATION

This Agreement is effective upon Licensee's acceptance of the terms hereof, and the Agreement will remain in effect until termination. If Licensee breaches this Agreement, QuadSpinner may terminate the License granted hereunder by notice to Licensee. In the event the License is terminated, Licensee will either return to QuadSpinner all copies of the Software and Documentation in Licensee's possession or, if QuadSpinner directs in writing, destroy all such copies. In the latter case, if requested by QuadSpinner, Licensee shall provide QuadSpinner with a certificate signed by a representative of Licensee confirming that the foregoing destruction has been completed.

9. CONFIDENTIALITY

Licensee agrees that the Software (including, for the avoidance of doubt, any Source Code that is licensed to Licensee) and Documentation are proprietary and confidential information of QuadSpinner or, as the case may be, the Third Party Licensors, and that all such information and any communications relating thereto (collectively, "Confidential Information") are confidential and a fundamental and important trade secret of QuadSpinner or the Third Party Licensors. Licensee shall disclose Confidential Information only to Licensee's employees who are working on an Authorized Project and have a "need-to-know" of such Confidential Information, and shall advise any recipients of Confidential Information that it is to be used only as authorized in this Agreement. Licensee shall not disclose Confidential Information or otherwise make any Confidential Information available to any other of the Licensee's employees or to any third parties without the express written consent of QuadSpinner, which shall not be unreasonably withheld. Licensee agrees to segregate, to the extent it can be reasonably done, the Confidential Information from the confidential information and materials of others to prevent commingling.

Licensee shall take reasonable security measures, using no less than a reasonable degree of care, to hold the Software, Documentation, and any other Confidential Information in strict confidence and safe custody. QuadSpinner may request certain

reasonable security measures as part of the use of the Software and Documentation, in which case Licensee agrees to comply with. Licensee acknowledges that monetary damages may not be a sufficient remedy for unauthorized disclosure of Confidential Information, and that QuadSpinner shall be entitled, without waiving any other rights or remedies, to seek such injunctive or equitable relief as may be deemed proper by a court of competent jurisdiction.

10. SURVIVAL AND GOVERNING LAW

Sections 2, 4, 5, 6, 7, 8, 9, 10 shall survive any termination or expiration of this Agreement.

If any provision of this Agreement is held invalid, the remainder of this Agreement shall continue in effect. The laws of Gujarat, INDIA, shall govern this EULA. Each party agrees to submit to the personal and exclusive jurisdiction of the courts located in Gujarat, India.
